## Bureau of Disease Control and Prevention

---

Our Mission: To protect and improve the health and environment of all Kansans.

# Outbreak Response Initiated for Southeast Kansas

- Currently six confirmed cases, one probable case of early syphilis
- Additional 51 contacts identified for testing & treatment
- Three Disease Intervention Specialists (DIS) currently re-assigned and residing in Neosho County to work the response.
- Please be kind to your friends in Southeast Kansas if you are needing anything from them.
- We anticipate response to be in place for 2-3 weeks
- Not cause for alarm...just vigilance with screening & treatment.

---

Our Mission: To protect and improve the health and environment of all Kansans.

# Flu Vaccine Update

- We have been receiving our allocated doses of influenza vaccine, and should be shipping them out to providers based on their pre-book request.
- As with past years, some presentations are less available than others, so there may be some altering of vaccines provided
